Sponsoring Societies

UEG

ESPGHAN

EASL

ECCO

GI National Societies from Portugal, Netherlands, Bulgaria

Notes:

Although registration is individual, delegates are encouraged to apply in association (Paed /Adult) and preference will be given to these situations.

There will be time for presentations from delegates. You may submit abstracts reporting clinical, cases, ongoing projects, reports of personal experience.

The course format will be interactive, with presentations but discussion and exchange of experience is strongly encouraged.

November in Porto tends to be chilly and wet, but we promise warm atmosphere and friendly environment.
